

MESSAGE FROM THE STATE VICE PRESIDENT

DAVID M. WAGNER
KJT State Vice President

As I sit here thinking about what to write about this month, my mind wanders, and thoughts of our various member benefits come to mind. All of which should be bragged upon at some point throughout the year, so why not now!

LIFE INSURANCE AND ANNUITIES

Some would say, Life Insurance is the most coveted member benefit of all (and I'd have to agree). To be there in faith, and financially, for a family who just lost a loved one

is hard to trump. To this day, I've never delivered a check that was "too large" for the family to accept...

Vehicle Savings

Buying a vehicle can be stressful and to me, downright scary. I'm happy to say the KJT has a program that can help ease this process. Our preferred vehicle pricing program offers our members access to fleet pricing. The preferred pricing program means less negotiating and a quick way to cut through the red tape when buying a vehicle. Not to mention the money that you can save when using the program.

PERKSPOT

We introduced KJT Perkspot to our members in 2015, and if you ask me, we introduced this program at the perfect time. That said, most people are confused as to what exactly Perkspot is.

A Twist of Member

It's simple, KJT Perkspot gives you access to THOUSANDS of coupons via one website. You can simply log on, search for the products you use, print the available coupon and save. As our shopping habits evolve, so does our access to the savings!

Youth Benefits

A few weeks ago, we wrapped up our 2017 Summer Youth and Teen Camps. I am very happy to say; our camps were once again a huge success! Ninety-six campers enjoyed our camp this year. Every year we work to improve our Summer Youth & Teen Camps, and I can say we have already begun planning our 2018 programs. Summer Youth & Teen camps are just one of the programs we have available to keep the youth of KJT active and involved. When given a chance, I like to boast about how we can keep our youth busy. Beginning at age nine until 15 they can attend our Summer Camps, at age 17 we begin to recruit them back to camp to serve as a camp counselor. Shortly after that, it's time

to apply for the Statewide KJT Scholarships that are available.

Granted we have more to offer and there is more to the list of member benefits. I promise that we will continue to search for ways to add value to your KJT Membership and I ask you to share the above with your friends and family. Tell others about what we have to offer and what you have access to with your membership.
